# EMPLOYEE BENEFITS GUIDE

## STAFF, PHYSICIANS, and DIRECTORS

# 2027

# WELCOME

## Welcome to Baptist Health

Baptist Health cares for its employees. In fact, many say that at Baptist, we are like family. “Benefits Centered On You” means that we are intentional with our actions and initiatives. The focus of our benefits offerings takes into account every employee’s life cycle. It requires listening to our employees through surveys, focus groups and employee comments so that as we make changes, we are addressing relevant needs.

Please take time to review the benefit information provided in this guide, as it offers an extensive overview of your health and welfare benefit options. This includes details about eligibility, enrollment and the plans available to you. It also explains how life changes and changes in your employment status can affect your benefits. We recommend you keep this guide for future reference.

Go to **BEN> HR Portal>Employee Benefits section** to find information on how to access Workday and more useful documents to help you enroll.

Disclaimer: Baptist Health has made every effort to accurately report the information in this guide. If any information contained in this guide conflicts with the applicable official plan documents and insurance agreements of Baptist Health, the official plan documents and insurance agreements will govern.

# WHAT'S NEW FOR 2027!

- Open Enrollment will not automatically renew at the close of the open enrollment period for FSA accounts. If you do not enroll in your FSA accounts, you will not have coverage in 2027.
- Anthem medical and Judi Rx prescription cards will be combined January 1, 2027. The cards will also be digital and will no longer be mailed. To access the card, you may go to Anthem.com or by using the Sydney Health app. More information on how to access the Sydney app. on page 11.
- Our Medical carrier is staying with Anthem, but there will be a moderate increase in your medical premium deductions. Biweekly medical rates can be found on page 12.
- Employees who are eligible for the Work From Anywhere plans, who do not live in the states of KY, IL or IN will only be eligible for the Work From Anywhere PPO and Work From Anywhere HDHP plans. More information on the Work From Anywhere can be found on page 15.
- The Flexible Spending Account (FSA) has increased to $3,400 and the Dependent Care is $7,500 or $3,750 for married individuals filing separate tax returns. More information about FSAs can be found on page 21.
- The Health Savings Account has increased to $4,500 for Single and $9,000 for all other. More information about HSAs can be found on page 23.

# FAQ

# Frequently Asked Questions

## Are my dependents eligible for medical, dental, and vision coverage?

If you are an eligible employee, your legal spouse and children up to age 26 are considered eligible dependents. Mentally or physically disabled children older than 26 are eligible if the disability occurred before age 26. Children include biological, adopted, step, and foster children. Legal documentation is required. Passive event in Workday will automatically remove children turning 26 from your coverage at the end of the month following their 26th birthday. No action required by the employee.

## What if I don't have a computer for enrolling?

Please visit Human Resources and someone will be happy to assist you.

## What levels of coverage are available with Baptist Health benefit plans?

- Employee Only
- Employee + Spouse
- Employee + Child(ren)
- Family

## What is the new hire election period?

New hires have 30 days from their date of hire to elect current year benefits. Benefits will be active on the first day of the month following or the coincident event date. Look on HR Portal>Benefits for 'How To Enroll' instructions to complete your new hire benefit enrollment.

***Note:*** *You must complete all inbox items that are pending before your benefit event will show up in your Workday inbox.*

## May I make changes during the year?

Yes, you may make changes to your benefits during the year if you have a qualifying event or change in family status. Once you experience such an event, you must make any changes within 30 days. You may add or drop coverage or change coverage levels (i.e., Employee Only, Employee + Spouse, etc.). However, you may not change plans (i.e., HDHP to Enhanced PPO, etc.) until the next Open Enrollment period.

If you are terminating or have a status change and are no longer eligible for benefits, then coverage ends at the end of the month following the term or status change event date.

Qualifying event or family status changes may include:

- Marriage, divorce, legal separation, annulment, or death of spouse.
- Birth, adoption, or death of a dependent child.
- The beginning or end of a spouse's employment.
- Change in spouse's employment from full-time to part-time, or part-time to full-time.
- You, your spouse, or a dependent child becomes eligible or ineligible for coverage.
- A court order requiring you, your spouse, or a former spouse to provide coverage for a child.
- An employed spouse changes benefits under a plan sponsored with their employer during a mid-year enrollment.
- A change in your employment status that causes you to lose or gain eligibility for certain benefits.

Any change you make to your benefits must be consistent with the change in your family status. For example, if your spouse loses medical coverage through their employer, you may add your spouse to your Baptist Health coverage. You must submit a change in benefits through Workday within 30 days of a family status change. The coverage will be effective the first day of the month following the effective date of qualifying event or status change. Newborns are covered under the medical plans for the first 30 days. Newborns must be added to Workday within 30 days of date of birth.

# WORKDAY

# Enrolling through WORKDAY

## Accessing WORKDAY from Baptist Health

1. Open your web browser to access BEN. This is the homepage on all Baptist Health computers. The BEN address is **http://home.bhsi.com**
2. Click on *HR Portal*.
3. Click on *Workday*.
4. Click on *Employees and Contractors*.
5. Your username and password will be the same that you use to log in to your computer at work.

## If you are not on a Baptist Health Network

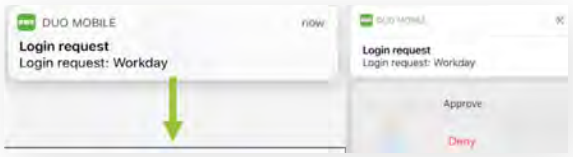

1. Open your web browser and navigate to **http://ben.bhsi.com**. This is the BEN@Home main page.
2. Under the Workday | Login section, click Login to Workday..
3. Click on Employees and Contractors.
4. Your username and password will be the same that you use to log in to your computer at work.
5. If you are enrolled in DUO or are required to use DUO, you will be prompted for DUO authentication. If you are not a DUO user, you will be successfully logged in to My Workday.

## When you are on the go

1. Install the Workday App on your device. See page 9 for information on installing and configuring the Workday App.
2. From the Workday App, tap *Employees and Contractors*.
3. Your username and password will be the same that you use to log in to your computer at work.
4. If you are enrolled in DUO or are required to use DUO, you will be prompted for DUO authentication. If you are not a DUO user, you will be successfully logged in to Workday.

## DUO Authentication

1. If you are enrolled in DUO, you will be prompted to *Send Me a Push, Call Me,* or *Enter a Passcode*.
2. If you choose *Send Me a Push* and have the DUO App installed on your device, you will receive a banner notification at the top of your screen.
3. Pull or Swipe Down this notification from the top of your screen and then tap *Approve*.

4. Choosing *Call Me* will call your registered device. You will be prompted to press a key to approve authentication.
5. Choosing *Enter a Passcode* will send a text message with a temporary, one-time use code to your registered device and prompt you to enter the received code.
6. After successfully authenticating with DUO, you will be logged in to Workday.

All Managers must be enrolled in DUO for Workday mobile access. If you are required to use DUO and are not enrolled, you will receive an error when logging in.

# WORKDAY *cont.*

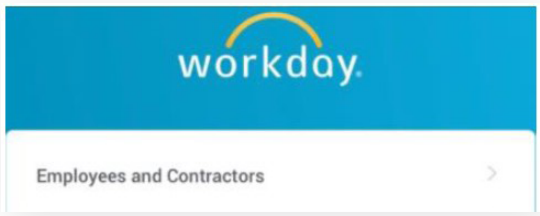

## Installing the WORKDAY Mobile App

If you have a previous version, uninstall and reinstall the Workday app on your device to ensure the latest version and full functionality.

1. From your device, navigate to the App Store (for Apple iOS devices) or Google Play Store (for Android Devices)
   ***Note:*** *Older versions of Android OS and iOS may not be compatible with the latest Workday Mobile App.*
2. Tap *Search* and enter *Workday*.
3. Tap *Install*.
4. Tap *Open* to launch the Workday app.
5. Tap the *Let's get started* button.
6. When prompted, enter *bhs* under Company ID.

7. To log in, tap *Employees and Contractors*.

8. Your username and password will be the same that you use to log in to your computer at work.
9. If you are enrolled in DUO or are required to use DUO, you will be prompted for DUO authentication. If you are not a DUO user, you will be successfully logged in to Workday.
10. Tap *OK* to enable push notifications if desired.
11. You may set up a PIN and Touch ID. See Mobile Authentication for more information.

## Mobile Authentication

**Note:** Mobile users can sign in to Workday mobile apps with a Personal Identification Number (PIN) for faster access. Please note that the PIN, like your password, will expire every 90 days and you will have to validate yourself through the initial credentials page to set your PIN to a new 4-digit PIN.

1. Sign in to Workday. A prompt appears, asking if you want to set up a PIN.
2. Enter a PIN number then tap the check mark. You may use fingerprint authentication (see below).
3. Confirm the PIN and then tap the check mark.
4. Tap allow to enable push notifications if desired.
5. Tap *Allow* to enable push notifications if desired.

## Touch ID (Enabled IOS Devices Only)

When setting up the PIN, users with enabled devices may see a prompt asking to Fingerprint Authentication (or Touch ID).

1. Tap Use Touch ID. Touch ID will be enabled now and on future logins.
2. Place your finger on the Home button. Login is automatic.

***Note:*** *Supported devices may also use Face ID for authentication.*

***Note:*** *If you are having trouble logging in from an iOS device, Smart Punctuation may need to be disabled. This may be found under Settings > General > Keyboard.*

# HELPFUL DEFINITIONS

## Medical Plan Definitions

### COINSURANCE

The percent of eligible charges that the employee pays.

### COPAYMENT (COPAY)

The fixed amount paid by you, your spouse, or a covered dependent at the time services are received from a network provider. Copays do not apply to deductibles – copays apply to your maximum out-of-pocket amount.

### DEDUCTIBLE

The fixed amount you must pay out of pocket each calendar year before the plan begins to pay for covered healthcare expenses.

### EMBEDDED DEDUCTIBLE

An embedded deductible combines individual and family deductibles. Provides "individual protection" by allowing each covered member the opportunity to meet the individual deductible and receive coinsurance benefits prior to the family deductible being met.

### NETWORK BENEFITS

The benefits applicable for the covered services of a healthcare provider "in-network" (i.e., a preferred provider in the health plan's network).

### OUT-OF-POCKET MAXIMUM

The most a covered person is required to pay in deductibles, copays and coinsurance in a calendar year for covered healthcare expenses.

### OUT-OF-NETWORK BENEFITS

The benefits available by a non-network provider.

### PREAUTHORIZATION

Approval required before you or another covered person receives certain services. Please refer to the summary plan description for additional information on what services require preauthorization. Summary plan descriptions are available on the HR Portal under the benefits section.

To obtain precertification, please call 833-896-0403. This number is also listed on the back of your medical ID card. This card is available online.

### AFFILIATES

Tier 1

**a.** All Baptist Tax ID #s for Facilities and Professional Providers

**b.** Plus all Anthem Hospitals/Facilities/ Professional Providers for pediatric claims ONLY up to age 18 (this is based on patient's date of birth at time of claim)

**c.** And specific Affiliated list of non-Baptist providers to apply the tier 1 benefit.

**d.** And all MOHS surgical procedures, all Cataract and Glaucoma procedures, apply tier 1.

Tier 2
Anthem's Hospital/Facility and Professional Provider Network

### OFFICE VISIT

Visits to health service providers' offices for diagnosis, treatment, and follow-up.

Verbiage from an EOB when using Tier 1 providers; they are both in-network and listed as Tier 1 specifically to receive the increased Tier 1 benefit:

**Going to this hospital uses Tier 1 benefits. That's your best value.**

| Service Date | Service | Reason Code* | Doctor Charges | Your discounts | Due to your doctor (max allowed) | Anthem paid |
|---|---|---|---|---|---|---|

Verbiage from an EOB when using Tier 2 providers that are in the Blue Cross PPO Netwok:

**Going to this doctor uses Tier 2 benefits. Using a Tier 1 doctor is a better value.**

| Service Date | Service | Reason Code* | Doctor Charges | Your discounts | Due to your doctor (max allowed) | Anthem paid |
|---|---|---|---|---|---|---|

# MEDICAL PLANS

## Administered by Anthem

### Who is eligible?

You are eligible for medical coverage if you are regularly scheduled to work at least 24 hours per week, (0.6 - 1.0 FTE). You can choose personal coverage (for yourself only), or coverage for you and your spouse, you and your children, or your whole family.

Dependent children may be covered until the end of the month in which they turn 26.

**Baptist Health medical plan options:**

1. Enhanced PPO
2. Core PPO
3. HDHP
4. Work From Anywhere PPO
5. Work From Anywhere HDHP

### Enhanced and Core PPO

You must receive care from doctors, hospitals, and other healthcare providers in the plan's network, except in an emergency. Advantages of the Enhanced PPO and Core PPO plans include a high level of coverage, lower copays and out-of-pocket costs at Baptist Health facilities and coverage of routine and preventive care. There is also opportunity to participate in a Flexible Spending Account (FSA) with participation in either PPO plan.

### High Deductible Health Plan

You must receive care from doctors, hospitals, and other healthcare providers in the plan's Baptist Health network, except in an emergency. Advantages of the HDHP plan include low coinsurance after deductible for most services in Baptist Health facilities, lower out-of-pocket costs at Baptist Health facilities, and coverage of routine and preventive care. There is also opportunity to participate in a Health Savings Account (HSA) and a Limited Flexible Spending Account with participation in the HDHP.

All plans will be administered by Anthem Health Plans utilizing the Anthem BlueCross BlueShield network.

Scan QR code for more information about Medical coverage on the Virtual Benefits Fair.

### Work from Anywhere

You are eligible if you work 24 or more hours a week AND live greater than 50 miles from a Baptist Health hospital facility. There are two additional plans to choose from, Work from Anywhere PPO and Work from Anywhere HDHP. These plans will show in your benefit event if your address in Workday is greater than the 50 miles from a Baptist Health hospital facility. If you do not live in KY, IL, or IN, you will be only be eligible for the Work From Anywhere plans.

### Work from Anywhere PPO

You must receive care from doctors, hospitals, and other healthcare providers in the plan's network, except in an emergency. Advantages of the PPO plans include a high level of coverage, lower copays and out-of-pocket costs and coverage of routine and preventive care. There is also opportunity to participate in a Flexible Spending Account (FSA) with participation in the PPO plan.

### Work from Anywhere High Deductible Health Plan

You must receive care from doctors, hospitals, and other healthcare providers in the plan's network, except in an emergency. Advantages of the HDHP plan include low coinsurance after deductible, lower out-of-pocket costs and coverage of routine and preventive care. There is also opportunity to participate in a Health Savings Account (HSA) and a Limited Flexible Spending Account with participation in the HDHP.

**Be sure your doctor is a member of the Baptist Health network; if they are not, the care you receive may not be covered, or may be covered at a lower benefit level, and your out-of-pocket costs may be more than you expect. Please call Anthem at 833-578-4443 to verify your provider is in network OR if you have any issues finding a provider.**

**Tobacco Use Rate**
The Affordable Care Act (ACA) defines "tobacco use" as the regular use of any tobacco product, including cigarettes, cigars, chewing tobacco, snuff and pipe tobacco, four or more times per week in the past six months. This is the definition adopted by Baptist Health for you and/or your spouse. In addition, consistent with our current policy regarding tobacco use on our campus, the use of e-cigarettes four or more times per week will also be included in the definition of tobacco use.

Employees who confirm tobacco use for themselves or their spouse when enrolling will have a surcharge of $46.15 per pay period added to their medical rate.

**Working Spouse Surcharge**
A working spouse surcharge is added to your employee medical plan rate (e.g., non-tobacco or tobacco rates) when covering your spouse who has access to medical insurance through their own employer.

Employees who cover a working spouse on the Baptist Health medical plan will have a surcharge of $46.15 per pay period added to their medical rate.

**Combined Surcharges**
If you confirm tobacco use and cover a working spouse, you will have a combined surcharge of $92.30 per pay period added to your medical rate.

Employee and Employer contributions for each medical plan with any applicable surcharge can be found in your open enrollment benefit event in Workday.

# BAPTIST HEALTH PHARMACY

Scan QR code for more information about Judi Rx booth and Pharmacy Resources on the Virtual Benefit Fair.

## Services

Baptist Health Shared Services Pharmacy provides all maintenance medication prescriptions, specialty medications and clinical support, free home delivery, maintenance medication automatic refill and synchronization, and adherence packaging.

Baptist Health Community pharmacies provide meds to bed discharge prescriptions after hospital admissions, vaccines, and acute/urgent medications such as antibiotics.

### MyChart

Create an Epic MyChart account to manage your prescriptions. MyChart allows you to view and refill your prescription. A notification will be sent when your prescription is due for a refill, ready for pick up, or shipped (Shared Services Pharmacy only). A MyChart app is also available for convenience when requesting refills and viewing your medication profile and history.

### Automatic Refill

Automated refills save you time; no need to call in or drop off prescriptions. Your prescriptions are ready when you need them, and you will receive MyChart notifications when they are filled. The pharmacy team will contact your provider ahead of time when you're out of refills.

### Medication Synchronization

Pharmacy staff can coordinate your refills so you can pick them up on a single day each month. Baptist Health Shared Services Pharmacy can ship synchronized medications in one container and provide adherence packaging at no additional cost.

### Discounts

Employees on the medical plan receive discounted copays when filling their prescriptions at the Baptist Health Community Pharmacies and Shared Services Pharmacy (see Plan Summaries for details).

### Maintenance Medications

Maintenance medications are required to be filled at Baptist Health Shared Services Pharmacy. The Prescription Transfer Form can be found on the HR Portal > Employee Benefits page.

# MASA

Scan QR code for more information about MASA benefit on the Virtual Benefit Fair.

## Why Choose MASA?

No one should have to worry about transport bills during or after an emergency. Unfortunately - even for the insured - these costly bills have become a normal, expected part of emergency care and continue to rise.

MASA is the simple solution to a complex problem for millions of Americans. As the leading provider of emergency and medical transport protections, MASA supports members with solutions for out-of-pocket costs due to medical transport while also offering services for use during recovery and beyond.

Getting the most from MASA membership benefits is simple. Typically, the ambulance bill is what is used to begin a payment request following the emergency. Some emergencies can lead to added challenges in the immediate days that follow - this is when the MASA Member Services team can provide compassionate, real-time assistance when it's needed.

| MASA Bi-Weekly Rates (Members include Employee and Eligible Dependents up to age 26 years old) | |

# FLEXIBLE SPENDING ACCOUNTS

**Open Enrollment will not automatically renew at the close of the open enrollment period for FSA accounts. If you do not enroll in your FSA accounts, you will not have coverage in 2027.**

## Administered by Fidelity

### Who is eligible?

You are eligible if you are a regular employee scheduled to work at least 24 hours per week.

### There are three types of FSAs:

**Health Care FSA** allows you to set aside money pre-tax to pay for eligible healthcare expenses for medical, dental and vision copays and deductibles. This option is for employees who are covered on the Enhanced PPO and Core PPO plans.

**Limited FSA** allows your to set aside money pre-tax to pay for eligible out-of-pocket dental and vision expenses. This option is for employees who are covered on the High Deductible Health Plan (HDHP). If you are enrolled in an HSA account, your spouse may hold an HSA-compatible FSA, for dental and vision expenses only. If both spouses hold an HSA with their employer, the combined contributions may not exceed the family contribution per year ($9,000).

**Dependent Day Care FSA** allows you to set aside money pre-tax to pay for qualified dependent care expenses, such as daycare and preschool for dependents under the age of 13. Spouses need to be working for the employee to have daycare expenses that are eligible for dependent dare FSA reimbursement. The balance doesn't carry over, which means you may lose any money left over at the end of the plan year.

### How do I use the spending accounts to cover my expenses?

There are several ways to use your flexible spending account for covered expenses:

- Use your Fidelity Healthcare Visa® debit card
- Use your smartphone or mobile device
- Pay online
- Pay the charges and file a claim online

You automatically receive a new Visa debit card with the new enrollment. When you use the card, the amount of covered expenses is automatically deducted from your spending account. However, you may be requested to send supporting documentation to Fidelity afterward. You will receive instructions with your debit card.

For 2027 FSA accounts, you have until 3/31/28 to submit reimbursements.

| Contributions to Flexible Spending Account |
|---|
| **Healthcare and Limited Flexible Spending Accounts:** Maximum per year of $3,400, or $130.77 per paycheck |
| **If you elect a $3,400 contribution to a health FSA:** your spouse may also contribute up to the IRS maximum through their own employer's FSA plan. Both spouses can maintain separate FSAs and each contribute the full amount. |
| **Carryover Provision:** You may carry over up to $680 of your Health Care FSA balance remaining at the end of 2026 into 2027. |
| **Dependent Day Care Flexible Spending Account if you are Single or Married couples filing tax returns jointly:** Maximum of $7,500 per year, or $288.46 per paycheck |
| **If you are married and you and your spouse file tax returns separately,** the limit for the Dependent Day Care FSA is $3,750 per year ($144.23 per paycheck). |

**Open Enrollment will not automatically renew at the close of the open enrollment period for FSA accounts. If you do not enroll in your FSA accounts, you will not have coverage in 2027.**

## Administered by Fidelity

- IRS tax rules specify that you may carry over up to $680 from your 2026 account to your 2027 spending account to be used for eligible Health Care FSA expenses. The rollover amount will show up in your account in April 2027.
- You can elect to contribute to the Health Care FSA for 2027, and you can also carry over up to $680 to your 2027 FSA balance. In this example, if you have $800 remaining in your FSA ($800 balance less $680 carryover) you will forfeit $120. Funds that are forfeited will be sent to Baptist Health and will not be able to be accessed.
- You are no longer eligible for your FSA coverage when you terminate or have a status change to PRN.
- After your term date your card will be turned off.
- You may submit claims for services you received before your employment ended online or via a paper claim.
- You have 90 days after your employment ends or status change to PRN to submit claims. Claims must be incurred prior to term date when submitting.
- Any unused Dependent Care FSA dollars are forfeited to your employer.

### What is an HSA?

An HSA is a tax-advantaged account that can be used to pay for current and future medical expenses. An HSA works with an HDHP, and allows you to use pre-tax dollars to pay your provider or reimburse yourself for your eligible out-of-pocket medical expenses for you, your spouse, and your dependents, which in turn saves you tax dollars and increases your spendable income.

Your maximum annual contribution to an HSA in a calendar year is determined by several factors, including: the maximum annual contribution limit set by the IRS (subject to cost of living adjustments), the type of coverage you elect (single or family), and your age.

**HSA contribution limits for 2027**
The "combined" annual maximum contribution amount between employee and employer cannot exceed the 2027 IRS limit for Single/Family.

| | Single | Family |
|---|---|---|
| Under 55 years old | $4,500 | $9,000 |
| 55 - 64 years old | $5,500 | $10,000 |

### Are you eligible for an HSA?

You must be covered under an HDHP to qualify for an HSA. The provider of your health plan should be able to tell you if the plan satisfies HDHP requirements. See the Frequently Asked Questions section for more details on eligibility.

### HSA Enrollment

Baptist Health employees must activate their HSA on NetBenefits for full usage of benefits. Activation through this account opening method includes agreeing to the HSA Terms and Conditions. After providing all information requested in the required fields, the account will open automatically, if the employee meets requirements.

Once the account is initiated for activation, the Customer Identification Program (CIP) process will begin:

- The facilitating custodian, will verify certain identifying information per USA PATRIOT ACT regulation for each person who opens an account.
- If additional information is required, the participant will receive a letter in the mail requesting the information needed. If response is not provided by the participant within 90 days, or the identity of the participant cannot be verified, the account will be redeemed and closed.

### How does an HSA work?

When you enroll in the HDHP and elect an HSA, an account will be created for you through Fidelity. You will be given access to a secure, easy-to-use web portal where you can track your account balance, view your investment accounts, and submit requests for reimbursements.

**Benefits to You:**

- An HSA is your account. Funds in your HSA stay with you, even if you change jobs.
- HSA balances roll forward each year.
- You contribute to the HSA tax-free. An HSA reduces your taxable income. The money is tax-free both when you deposit it and when you take it out to cover qualified medical expenses.
- The money you spend for eligible expenses is tax-free.
- Your funds grow tax-free. An HSA grows with you. If you maintain a minimum balance of $1,000, your additional funds may be invested in mutual funds yielding tax-free earnings.
- Until you turn 65, withdrawals you use for non-eligible expenses will be taxed at your regular income tax rate, plus an additional 20% penalty will apply. Once you are age 65, withdrawals for non-eligible expenses are taxed at your regular income tax rate, but no additional penalty will apply.

### HSA Eligibility Guidelines

To be eligible to make contributions to an HSA, you must satisfy the following conditions established by law.

| | If "Yes" | If "No" |
|---|---|---|
| **1. Can you be claimed as a dependent on another person's tax return?** | You are not eligible for an HSA. | Proceed to question #2. |
| **2. Are you enrolled in Medicare?** | You are not eligible for an HSA. | Proceed to question #3. |
| **3. Are you enrolled in a qualified high-deductible health plan (HDHP) with a minimum annual deductible of at least $1,700 for single coverage and $3,400 for family coverage?** | Proceed to question #4. | You are not eligible for an HSA. |
| **4. Do you or family members covered under the HDHP have additional health coverage under another plan?** | Proceed to question #5. | Proceed to question #6. |
| **5. If you answered yes to question #4, is this other health coverage an HDHP?** | Proceed to question #6. | You are not eligible for an HSA. |
| **6. Do you or family members covered under the HDHP currently participate in a tax-deferred Health Savings Account (HSA)** | You are not eligible for an HSA. | You are eligible for an HSA. Proceed to calculate your annual contributions. |

### How much money could you save?

Because they are not included in your take-home pay, all HSA contributions are free from federal, state, local, and FICA taxes. Here's an example of how your HSA can save you a significant amount of money each year. This example is based on a single tax filing for the annual income listed. How much money could you save? ## Preventive Plan

You are eligible for the Preventive Plan if you are scheduled to work 23.99 or less. PRN employees are eligible.

This plan DOES NOT cover medical services. This plan provides coverage for preventive services such as immunizations and routine health screenings. It does not cover conditions caused by accidents or illnesses. This plan satisfies the federal healthcare reform Individual Mandate.

| Coverage | Biweekly Premiums |
|---|---|
| Employee | $11.01 |
| Employee + Spouse | $23.14 |
| Employee + Children | $19.82 |
| Family | $31.93 |

| Well Adult Exams | |
| **Prescription Drugs** | |
| Pharmacy Benefits provided through Judi Rx | |
| **Lifetime Maximum Benefit** | |
| The Lifetime Maximum Benefit available under this plan is Unlimited. | |

The list of Covered Preventive Services includes A and B Recommendations from the U.S. Preventive Services Task Force (USPSTF) provided at https://www.uspreventiveservicestaskforce.org/Page/Name/recommendations and other Preventive Services found on www.healthcare.gov as required by the Affordable Care Act. Baptist Health may add or remove services based on recommendations of the most current medical literature, the USPSTF and www.healthcare.gov.

Adolescent & childhood immunizations are covered per 2014 recommended age-appropriate immunization schedules approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, the American Academy of Family Practice, www.healthcare.gov and the U.S. Department of Health & Human Services Centers for Disease Control & Prevention.

Lifetime Maximum Benefit: The Lifetime Maximum Benefit available under this plan is Unlimited.

Dependent Eligibility- An individual must be either: the lawful spouse of the participant or a dependent child of the participant who is under the age of twenty-six (26) years. Eligibility for coverage for a participant's dependent child is not based on financial dependency, residency, student status, marital status, or employment. A "child" for purposes of dependent eligibility means a participant's newborn, minor or young adult child under the age of twenty-six (26), and includes a natural-born child, a stepchild, a child legally placed for adoption, a legally adopted child, a child for whom legal guardianship has been awarded, or a child for whom the participant has a legal obligation under a divorce decree or other court order, including a qualified medical child support order, to provide health care coverage. A participant required by a court or administrative order to provide health coverage for a child must submit proof of such order at the time application for the child is made in accordance with the requirements for Qualified Medical Child Support Orders (QMCSO) provided in the General Provisions section of this SPD. A participant's temporary custody of a child is not sufficient to establish dependent eligibility under this Plan. Any foster child who is eligible for benefits provided by any governmental program or law will not be eligible for coverage under the Plan unless required by the laws of this state.

Certificate Year- Plan benefits are based on each successive 12-month period starting on the Effective Date of the Administrative Services Agreement.

Retail Clinics are health care clinics located in retail stores, supermarkets and pharmacies that treat uncomplicated minor illnesses and provide preventive health care services. They are sometimes referred to as "convenient care clinics" or"retail-based clinics."These clinics are usually staffed by nurse practitioners (NPs) or physician assistants (PAs) but some are staffed by physicians. Retail clinics are covered at the primary care physician (PCP) benefit level.

Please review all limits carefully, as we will not pay benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

The Summary of Benefits is intended to be a brief outline of coverage. The entire provisions of benefits and exclusions are contained in the Summary Plan Description and Summary of Benefits. In the event of a conflict between the Summary Plan Description and this description, the terms of the Summary Plan Description will prevail.

# PREVENTIVE PRESCRIPTION DRUGS

## Administered by Judi Rx

The 2027 list of preventive medications that the Prescription Plan covers at 100% has changed and is linked [here]. Please review the 2027 preventive medication list before making your plan election to ensure you have all the details to make an informed decision.

For questions, call Judi Rx Customer Care at 855.592.2779.

Specified preventive medications are covered by the plan at 100% for all the plan's options with a prescription from the member's physician.

These ACA preventive medications currently include the following:

- Generic prescription drug contraceptives, diaphragms, cervical caps, and Nonoxynol 9 for female covered persons.
- Generic breast cancer risk-reducing prescription drugs for female covered persons with no prior diagnosis of breast cancer.
- All Food and Drug Administration (FDA)-approved tobacco cessation medications (including both prescription drug and over-the-counter medications) for a 90-day treatment regimen when prescribed by a healthcare provider without Prior Authorization. This benefit is provided for up to two tobacco cessation attempts per Plan Year. Quantity limits apply.
- Folic acid – for female members.
- Aspirin – for members age 45 years or older.
- Fluoride dental products – for members between 6 months of age and 6 years of age.
- Iron – for members between 6 and 12 months of age.
- The ACA list is not inclusive of all preventive medications covered at 100% on the Prescription Plan. The preventive medication list is regularly reviewed by Baptist Health and subject to change.

# MEDICAL EXPENSE REIMBURSEMENT PROGRAM (MERP)

Scan QR code for more information about MERP coverage on the Virtual Benefits Fair.

**QUESTIONS? Contact Catilize Health at 877.872.4232 from 8:30AM-8PM EST.**

Employees who are currently enrolled in a Baptist Health Medical Program may consider MERP.

If your spouse has group medical coverage available from their employer, the MERP could be a good option for you! Under the MERP, you would elect to cover you and your family under your spouse's plan and the MERP would reimburse you for eligible medical care expenses and premium differences incurred under your employed spouse's group medical plan.

Copays, deductibles and coinsurance are reimbursed to you up to $12,000 for "employee only" coverage or $24,000 per year for employee + spouse, employee + children or family coverage. Allowed charges for services received at a Baptist Health facility are reimbursed at 100% while allowed charges for services received at a non-Baptist Health facility are reimbursed at 75%. If you are currently enrolled in a Baptist Health medical plan and choose to move to your spouse's employer-sponsored medical plan, you will be eligible to enroll in the MERP. Please note that special rules apply for those who may elect to participate in their spouse's plan if it is a high-deductible plan supported with either a health savings account (HSA) or a health reimbursement account (HRA). For more information on the MERP and eligibility qualifications, please refer to **HR Portal > Employee Benefits** section.

## Who is eligible?

You are eligible if you are regularly scheduled to work at least 24 hours per week (.06 - 1.0 FTE), currently enrolled in a MERP or a Medical plan offered by Baptist Health and have group Medical and Prescription Drug Coverage available elsewhere (i.e., spouse's plan, or retiree benefits). The MERP does not apply to coverage elected through Medicare, TriCare, VA Health, Individual Plans or a High Deductible Plan with an HSA. Since you must be covered under a Baptist Health offered medical plan, new hires and rehires are not eligible for the MERP.

## What does the plan cover?

The Medical Expense Reimbursement Program will be administered by Catilize Health and will cover the following:

- Reimbursement of copays, coinsurance, and deductibles up to a maximum of $12,000 Single and $24,000 Family.
- For Baptist facilities, you will be reimbursed 100% of copays, deductibles, and coinsurance, up to the maximum.
- At non-Baptist facilities, you will be reimbursed 75% of copays, deductibles, and coinsurance, up to the maximum.
- The MERP will reimburse you the difference between the monthly premium amount you would have paid under the Baptist Health Medical Enhanced PPO Plan in 2027 and the monthly premium amount your spouse will pay for coverage under their employer's plan.
- If you qualify for a reimbursement, you will receive it on your second paycheck each month.

## How does the plan work?

- Enroll in Spouse's employer-sponsored or retiree group medical plan.
- Waive coverage in the Baptist Health System Medical Plan.
- Enroll in MERP in Workday.

You will receive a MERP identification card that you will present in conjunction with your alternate health plan identification card at your doctor and hospital visits.

- NOTE: Certain pharmacies such as Walgreens, CVS and mail order do not take the MERP card so you will have to request reimbursement by filing a paper claim.
- NOTE: If you have a health flexible spending account (FSA), you may use it for eligible dental and vision expenses. You may only use your health FSA for medical expenses that are not reimbursed to you under the MERP. For example, if you receive care at a non-Baptist facility, you could use your FSA for 25% of expenses the MERP does not reimburse.

## Employee Protection

You may elect coverage into the Baptist Health employee health plan if your spouse experiences a qualified event, such as a family status change, loss of employment or their entitlement to group health plan coverage. You may also elect a health plan offered through Baptist Health during the next open enrollment period.

# DENTAL BENEFITS

## Administered by Delta Dental

All plans are administered by Delta Dental. We offer two dental plans:

- Delta Dental PPO Plus Premier
- Delta Dental PPO

### Who is eligible?

You are eligible for dental coverage if you are regularly scheduled to work at least 24 hours per week. You can choose personal coverage (for yourself only), or coverage for you and your spouse, you and your children, or your whole family. Dependents may be covered until the end of the month in which they turn 26.

There is a 12-month waiting period for major and orthodontic coverage unless you have 12 months of continuous dental coverage with no more than a 60-day lapse prior to your effective date with Delta Dental. Your prior coverage must have had coverage for major and orthodontic services. A Certificate of Credible Coverage from the prior carrier is required. Contact your local Benefit Partner for more information.

### Preventive Care

As part of the Baptist Health commitment to preventive care and wellness, the dental plans cover up to three regular cleanings per year. In addition, your preventive services will not track toward your annual maximum out- of-pocket.

### What does each plan cover?

#### Delta Dental PPO Plus Premier

This plan provides access to the Delta Dental Premier network, plus additional savings if you choose a PPO-participating dentist. This plan includes adult orthodontia (12-month waiting period).

#### Delta Dental PPO

This plan covers preventive and basic services only, and reduced benefits and potential balance billing (and increased out-of-pocket costs) will apply if you use a provider outside the network.

### Special Rules for Orthodontic Coverage and Major Services

There is a 12-month waiting period for major services and orthodontic coverage, unless you have 12 months of continuous dental coverage prior to your effective date with Delta Dental. A Certificate of Credible Coverage from the prior carrier is required.

### Enhanced Coverage for High-risk Conditions

Delta Dental provides enhanced coverage for plan members with certain high-risk medical conditions, including:

- Diabetes with gum disease
- Pregnancy and gum disease
- Persons at risk for infective endocarditis, a serious heart infection
- Kidney failure
- Weakened immune system (for example, due to chemotherapy, radiation therapy, or HIV)

Ask your dentist and/or doctor if you are in one of these high-risk categories.

# VISION BENEFITS

## Administered by EyeMed

### Who is eligible?

You are eligible for vision coverage if you are regularly scheduled to work at least 24 hours per week. Dependents are covered until the end of the month in which they turn 26.

Scan QR code for more information about Vision coverage on the Virtual Benefits Fair.

### What does each plan cover?

#### Enhanced

The Enhanced plan includes all of the benefits of the Essential plan (e.g., a comprehensive eye exam and one pair of glasses), plus it gives you a greater allowance for frames and lenses or contacts.

#### Essential

The Essential plan covers the basics of healthy vision, including a comprehensive eye exam and benefits for a basic pair of prescription glasses or contact lenses.

### How does the plan work?

When you enroll in the EyeMed plan, you will receive an ID card to use whenever you receive covered services.

### What to Do When You Need Covered Vision Care

1. You can find a network eye doctor in your area from the provider list located under Provider Links in the HR Portal on BEN
2. Select Insight Network, then the EyeMed directory
3. Call for an appointment and identify yourself as an EyeMed member
4. Show your ID card when you visit; you'll pay any required copays at that time

# STAFF LIFE INSURANCE

## Administered by Reliance Matrix

### Who is eligible?

You are eligible for life insurance coverage if you are an active, regular employee scheduled to work at least four hours a week. Temporary and PRN (pro re nata or "as needed") employees are not eligible.

### Basic Employee Life & AD&D Insurance

Baptist Health provides every eligible employee with basic life and accidental death & dismemberment (AD&D) insurance coverage. Employees may purchase supplemental life coverage.

Along with protection for your family if you die, the AD&D portion of this coverage provides additional benefits if you die as a result of a covered accident. This accidental death benefit will be in the same amount as the life insurance benefit. Benefits are also paid if you suffer loss of sight or a limb as a result of a covered accident.

Any employer paid life insurance coverage amount above $50,000 is considered imputed income and is subject to taxes. The imputed income will be added to your taxable earnings and reported on your W-2 form. If you are interested in coverage that does not exceed $50,000, contact your local Benefit Partner for more information.

### Supplemental Employee Life Insurance

During Open Enrollment only, you may increase your supplemental coverage by $100,000/year. For example, if you did not choose extra coverage when you were first hired, you may choose additional life insurance in $10,000 increments – up to a maximum of $100,000 per year – during Open Enrollment. Your total life insurance for yourself (basic and supplemental combined) may not be more than $850,000.

### Spouse Life Insurance

You may purchase life insurance for your spouse in increments of $20,000 (e.g., $20,000, $40,000, $60,000) up to a maximum of $100,000. Spousal coverage may be added up to one $20,000 increment during open enrollment for eligible employees.

Scan QR code for more information about Reliance Matrix Life Insurance coverage on the Virtual Benefits Fair.

### Benefit Reductions Starting at Age 70

Basic Life, Supplemental Employee and Spouse Life Insurance amounts are reduced if you are still actively at work when you reach age 70 or older. The reductions are as follows:

- Age 70 - 65% of original amount (coverage is reduced by 35%)
- Age 75 - 50% of original amount (coverage is reduced by half)

*For example, if you turn 71 and your spouse is 58, both your benefits will be reduced since premium is based on the employee's age. If your spouse should die, you would receive a benefit equal to 65 percent of the original spouse life benefit.*

### Options

**Basic Life and AD&D Insurance**

- Full-Time Employees: 1x your annual earnings
- Part-Time Employees: $10,000

**Supplemental Employee Life / AD&D Insurance**

- Full-Time Employees: Increments of $10,000 ($10,000, $20,000...) up to $100,000 per year to maximum of $500,000

| 55 - 59 | $0.240 | 55 - 59 | $2.400 |
| 60 - 64 | $0.258 | 60 - 64 | $2.585 |
| 65 - 69 | $0.415 | 65 - 69 | $4.154 |
| 70+ | $0.812 | 70+ | $8.086 |

### Supplemental Employee Life Insurance Example:

Beth is a 49-year-old full-time employee who elects $50,000 of supplemental coverage. Her cost per $1,000 is $0.102, so her cost per pay period is $5.10 (50 x $0.102 = $5.10). Beth turns 50 in May, which moves her into a new age-band and changes her rate per $1,000 to $0.148. Her new cost per pay is $7.40 (50 x $0.148 = $7.40).

John is a 45-year-old full-time employee who elects $50,000 of supplemental coverage. His cost per $1,000 is $0.102, so his cost per pay period is $5.10 (50 x $0.102 = $5.10). John turns 46 in October, which does not move him into a new age-band. His cost per pay continues to be $5.10.

### Spouse Life Insurance Example:

Dave is a 36-year-old full-time employee. He chooses $40,000 of spouse life coverage for his wife, Leslie. The cost of Leslie's coverage is based on Dave's age, so the cost per $1,000 of coverage for Leslie is $0.046, and the total cost per pay period for her coverage is $1.84 (40 x $0.046 = $1.84). Dave turns 37 in September, which does not move him into a new rate band. His cost per pay for Leslie continues to be $1.84.

**Please note: Cost per pay will be calculated based on your age at the time of the pay period deduction. Your cost per pay could change if your birthday (during the plan year) moves you into a new age-band. Please see above for examples.**

# ADVANCED PROVIDER, PHYSICIAN AND DIRECTOR LIFE INSURANCE

## Administered by Reliance Matrix

### Who is eligible?

You are eligible for life insurance coverage if you are an active Advanced Provider or Director (scheduled at least 32 hours a week) or Physician (scheduled at least 18 hours a week). Temporary and PRN (pro re nata or "as needed") employees are not eligible.

### Basic Employee Life & AD&D Insurance

Baptist Health provides every eligible employee with basic life and accidental death & dismemberment (AD&D) insurance coverage. Employees may purchase supplemental life coverage.

Along with protection for your family if you die, the AD&D portion of this coverage provides additional benefits if you die as a result of a covered accident. This accidental death benefit will be in the same amount as the life insurance benefit. Benefits are also paid if you suffer loss of sight or a limb as a result of a covered accident.

Any employer paid life insurance coverage amount above $50,000 is considered imputed income and is subject to taxes. The imputed income will be added to your taxable earnings and reported on your W-2 form. If you are interested in coverage that does not exceed $50,000, contact your local Benefit Partner for more information.

### Supplemental Employee Life Insurance

During Open Enrollment only, you may increase your supplemental coverage by $100,000/ year. For example, if you did not choose extra coverage when you were first hired, you may choose additional life insurance in $10,000 increments – up to a maximum of $100,000 per year – during Open Enrollment. Your total life insurance for yourself (basic and supplemental combined) may not be more than $850,000.

### Spouse Life Insurance

You may purchase life insurance for your spouse in increments of $20,000 (e.g., $20,000, $40,000, $60,000) up to a maximum of $100,000. Spousal coverage may be added up to one $20,000 increment during open enrollment for eligible employees.

### Benefit Reductions Starting at Age 70

Basic Life, Supplemental Employee and Spouse Life Insurance amounts are reduced if you are still actively at work when you reach age 70 or older. The reductions are as follows:

- Age 70 - 65% of original amount (coverage is reduced by 35%)
- Age 75 - 50% of original amount (coverage is reduced by half)

*For example, if you turn 71 and your spouse is 58, both your benefits will be reduced since premium is based on the employee's age. If your spouse should die, you would receive a benefit equal to 65 percent of the original spouse life benefit.*

### Options

**Basic Life and AD&D Insurance**

- Full-Time Employees: 2x your annual earnings not to exceed $750,000.
- Part-Time Employees: $10,000 (Physicians excluded)

# ADVANCED PROVIDER, PHYSICIAN AND DIRECTOR LIFE INSURANCE *cont.*

## Dependent Child Life Insurance

You may purchase $10,000 of life insurance coverage for your dependent children up to age 26. (Coverage is $500 for children from live birth to six months. There is no coverage for stillbirths). The cost for this coverage is $1.02 per pay period, no matter how many eligible children you have.

## Supplemental Life Insurance

The chart below shows the post-tax cost per pay period of supplemental life insurance for both full-time and part-time employees.

| Full-Time Employees Supplemental Life & Spouse Life | | Part-Time Employees Supplemental Life | |
|---|---|---|---|
| Rate per $1,000 of coverage per 26 pay periods | | Flat cost for $10,000 per 26 pay period | |
| Age | Cost | Age | Cost |
| < 35 | $0.037 | < 35 | $0.369 |
| 35 - 39 | $0.046 | 35 - 39 | $0.425 |
| 40 - 44 | $0.055 | 40 - 44 | $0.554 |
| 45 - 49 | $0.102 | 45 - 49 | $0.978 |
| 50 - 54 | $0.148 | 50 - 54 | $1.477 |
| 55 - 59 | $0.240 | 55 - 59 | $2.400 |
| 60 - 64 | $0.258 | 60 - 64 | $2.585 |
| 65 - 69 | $0.415 | 65 - 69 | $4.154 |
| 70+ | $0.812 | 70+ | $8.086 |

### Supplemental Employee Life Insurance Example:

Beth is a 49-year-old full-time employee who elects $50,000 of supplemental coverage. Her cost per $1,000 is $0.102, so her cost per pay period is $5.10 (50 x $0.102 = $5.10). Beth turns 50 in May, which moves her into a new age-band and changes her rate per $1,000 to $0.148. Her new cost per pay is $7.40 (50 x $0.148 = $7.40).

John is a 45-year-old full-time employee who elects $50,000 of supplemental coverage. His cost per $1,000 is $0.102, so his cost per pay period is $5.10 (50 x $0.102 = $5.10). John turns 46 in October, which does not move him into a new age-band. His cost per pay continues to be $5.10.

### Spouse Life Insurance Example:

Dave is a 36-year-old full-time employee. He chooses $40,000 of spouse life coverage for his wife, Leslie. The cost of Leslie's coverage is based on Dave's age, so the cost per $1,000 of coverage for Leslie is $0.046, and the total cost per pay period for her coverage is $1.84 (40 x $0.046 = $1.84). Dave turns 37 in September, which does not move him into a new rate band. His cost per pay for Leslie continues to be $1.84.

**Please note: Cost per pay will be calculated based on your age at the time of the pay period deduction. Your cost per pay could change if your birthday (during the plan year) moves you into a new age-band. Please see above for examples.**

# SHORT-TERM DISABILITY

STD

## Administered by Reliance Matrix

### Who is eligible?

You are eligible to participate in the STD plan if you are a regular employee scheduled to work at least 32 hours per week.

### How does the STD plan work?

STD benefits begin on the eighth day of an absence due to injury or illness that occurs while you are off duty. If you are eligible and choose to participate, the STD program provides a 50% of earnings benefit, not to exceed $1,500 per week.

You will be considered to have a Pre-existing Condition and will be subject to the Pre-existing Conditions Limitation if:

1. The disability begins in the first twelve (12) months after your effective date; AND
2. You have received medical treatment or consultation (including pregnancy), during the three (3) months immediately prior to your effective date of insurance.

STD benefits may be paid up to 12 weeks, at which time you become eligible for Long-Term Disability (LTD) benefits. The actual length of time for which benefits are paid must be approved by the plan. For example, absences for maternity are covered up to six weeks for a normal delivery or eight weeks for a cesarean section.

If you take FMLA leave for maternity, STD benefits will cover only the medically necessary portion of the leave, not the entire 12-week FMLA period.

The cost of STD coverage is based on employee's age and weekly benefit. To determine cost:

1. Calculate weekly benefit: annual salary ÷ 52 weeks × 50% = weekly benefit
2. Determine rate: See STD Rate Chart on the left
3. Calculate per pay cost: weekly benefit ÷ 10 × rate = cost per pay period

| Short-Term Disability Rate Chart | |
|---|---|
| **Age** | **Cost (26 pay)** |
| < 30 | $0.426 |
| 30 - 34 | $0.450 |
| 35 - 39 | $0.350 |
| 40 - 44 | $0.223 |
| 45 - 49 | $0.208 |
| 50 - 54 | $0.300 |
| 55 - 59 | $0.325 |
| 60 - 64 | $0.508 |
| 65 + | $0.684 |

To apply for STD benefits, an employee must fulfill the minimum waiting period of seven (7) calendar days before becoming eligible.

**PLEASE NOTE:** Cost per pay will be calculated based on your age at the time of the pay period deduction. Your post-tax cost per pay could change if your birthday (during the plan year) moves you into a new age band. Please see above for examples.

# SHORT-TERM DISABILITY *cont.*

## Administered by Reliance Matrix

### STD Example:

Jordan is a 34-year-old full-time employee with an annual salary of $30,000. The cost of Jordan's STD coverage is based on a person's age and weekly benefit at the time of the pay period.

- First, determine the weekly benefit: $30,000 ÷ 52 weeks = $576.92 per week × 50% = $288.46 weekly benefit. Jordan's rate based on age is $0.450. So the cost per pay period will be $12.98 ($288.46 ÷ 10 × $0.450 = $12.98)
- Jordan turns 35 in August, which means the age band changes. The new rate is $0.350. The new cost per pay is 10.09 ($288.46/10 x $0.350 = $10.09).

Charlie is a 40-year-old full-time employee with an annual salary of $45,000. The cost of Charlie's STD coverage is based on the age and weekly benefit at the time of the pay period.

- First, determine the weekly benefit: $45,000 ÷ 52 weeks = $865.38 per week × 50% = $432.69 weekly benefit. Charlie's rate based on age is $0.223. So the cost per pay period will be $9.64 ($432.69 ÷ 10 × $0.223 = $9.64).
- Charlie turns 41 in April, and the age will not move into a new rate band. The cost per pay continues to be $9.64.

### STD Example - Pregnancy:

**Example 1:** Taylor went to the doctor on 10/15/2026 for a pregnancy and found out the baby is due 2027. Taylor did not elect Voluntary Short- Term Disability plan in 2026, but is considering enrolling in the plan for 2027. Will the pregnancy be covered?

- Taylor's pregnancy in 2027 would not be covered because a visit to the doctor for the pregnancy took place in 2026, prior to enrolling in the STD plan for 2026.

**Example 2:** Cameron enrolled in the Voluntary Short-Term Disability plan effective 1/1/2026. In January of 2027, Cameron has a doctor appointment and will be having a baby later in 2027. Will the pregnancy be covered?

- Cameron's pregnancy would be covered under the STD plan because the enrollment was before the doctor visit for the pregnancy.

# STAFF LONG-TERM DISABILITY

LTD

## Administered by Reliance Matrix

### Who is eligible?

You are eligible to participate in the LTD plan if you are an active employee scheduled to work at least 32 hours per week. There is no medical underwriting requirement.

### How does the plan work?

Benefits begin after you've been totally disabled for 90 days.

Benefit: 50 percent of covered monthly earnings – up to a maximum benefit of $4,000 per month – for regularly scheduled to work, full-time employees. If your benefits from other sources equal 50 percent or more of your regular monthly earnings, you will receive a minimum benefit from the plan of 10 percent or $100 per month.

### LTD Example:

**Baptist Health-Provided Benefit**

Your annual earnings: $30,000

Divide by 12 for monthly earnings: $2,500

Multiply monthly earnings x 50%:
$1,250 (monthly benefit)

### LTD Buy-Up Example:

Your annual earnings: $30,000

Divide by 12 for monthly earnings: $2,500

Multiply monthly earnings x 60%:
$1,500 (monthly benefit)

### Who is eligible?

You are eligible for the Accident plan if you are regularly scheduled to work at least 24 hours per week. You must be legally authorized to work in the United States and actively working at U.S. location to receive coverage. Spouses and dependent children from birth until their 26th birthday, regardless of marital or student status, must reside in the United States to receive coverage.

### What does the plan cover?

There are things that you or your family do daily that may lead to an accidental injury and unexpected expenses.

This coverage can help you with out-of-pocket costs that your medical plan doesn't cover, like copay and deductibles.

### Accident Benefit Example

Child dislocates knee in athletic event (plan pays per incident)

### How does the plan work?

Accident Insurance can pay a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur off the job. And it includes ranges of incidents, from common injuries to more serious events.

**This coverage is 100% portable if you leave your job.**

#### Annual Wellness Benefit:

$100 per calendar year per insured individual, up to a maximum of 6 benefits per family. (Mammogram, Pap Smear, Blood Test for Triglycerides, Colonoscopy, EK, Stress Test on a bicycle or treadmill, Fasting Blood Glucose Test, Serum Cholesterol Test to determine HDL and LDL levels.)

#### For Children:

Annual exams include sports physicals, well child visits, dental and vision exams.

# CRITICAL ILLNESS PLAN

## Administered by Reliance Matrix

### Who is eligible?

You are eligible for Critical Illness plan through Reliance Matrix if you are legally authorized to work in the United States and actively working a minimum of 24 hours per week at a U.S. location. Spouses ages 17 and up must reside in the United States to receive coverage. Dependent children, newborns to age 26, are automatically covered at no extra cost and their coverage is 50% of your amount.

### What is covered

The Critical Illness insurance policy can pay a lump-sum benefit at the diagnosis of a covered illness. It is not a substitute for a health benefit plan.

This plan pays a specified dollar amount if you are diagnosed with a covered condition. Benefit is paid as a lump sum that can be used for costly out-of-pocket expenses like copays, deductibles, child care and travel – or however you choose. No physical is required for eligibility; guaranteed issue is available for you and your spouse.

#### Annual Wellness Benefit:

$100 per calendar year per insured individual, up to a maximum of 6 benefits per family. (Mammogram, Pap Smear, Blood Test for Triglycerides, Colonoscopy, EK, Stress Test on a bicycle or treadmill, Fasting Blood Glucose Test, Serum Cholesterol Test to determine HDL and LDL levels.)

#### For Children:

Child Coverage is 50% of employee coverage. Annual exams include sports physicals, well child visits, dental and vision exams.

#### Recurrence Benefit:

We may pay a reduced benefit for a Critical Illness that is the same Critical Illness previously diagnosed and for which a benefit was paid under the policy as long as the diagnoses are separated by at least 6 months

# HOSPITAL INDEMNITY

## Administered by Reliance Matrix

### Who is eligible?

You are eligible for the Hospital Indemnity plan through Reliance Matrix if you are considered in active employment if, on the day you apply for coverage, you are being paid regularly for the required minimum 24 hours per week each week and you are performing the material and substantial duties of your regular occupation. Employee must purchase coverage for themselves in order to purchase spouse or child coverage.

### What is covered?

With the high costs of healthcare, one trip to the hospital could mean a substantial setback from the out-of-pocket costs that aren't covered by a standard medical plan. Hospital Indemnity helps covered employees and their families cope with financial impacts of a hospitalization. You can receive benefits when you're admitted to the hospital for a covered accident, illness or childbirth.

### Why is this coverage so valuable?

- Money is paid directly to you. The money can also help you pay the out-of-pocket expenses your medical plan may not cover, such as coinsurance, copays and deductibles.
- No health questions or pre-existing conditions limitations.
- The benefit is compatible with a Health Savings Account (HSA).
- 100% portable - You may take the coverage with you if you leave the company or retire.
- Newborn Admission and Newborn Daily Stays covered.
- Annual Wellness Health Screening Benefit.
- The benefit provides enhanced hospital benefits as 100% when you use hospitals owned, operated or controlled by Baptist Health.

### Annual Wellness Benefit:

$50 each year per covered family member, up to a maximum of 6 benefits per family, for getting a covered screening test.

- Screenings for cancer, including Pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

### For Children:

Annual exams include sports physicals, well child visits, dental and vision exams.

# RETIREMENT PLANS

## Administered by Fidelity

### Baptist Health 401(k) Plan

#### Who is eligible?

All employees are eligible to contribute to the Baptist Health 401(k) Plan.

#### What do I need to do?

The Baptist Health 401(k) Plan is voluntary; however, you are automatically enrolled with a 3% contribution beginning with your first paycheck after 60 days of employment. Newly hired employees not wishing to participate must contact Fidelity to opt out.

#### Why should I participate in the plan?

**You can make pretax and/or Roth contributions.** Pretax contributions are deducted from your pay before income taxes are taken out, which can lower the amount of current income taxes you pay each pay period. Roth contributions allow you to make after-tax contributions and take any associated earnings completely tax free at retirement, provided certain requirements are met.

**You determine the investments that are right for you.** You may choose from a wide range of investment options and if you do not make a choice, your contributions will be invested in the applicable Vanguard Target Retirement Trust Plus option based on your age.

#### Baptist Health 401(k) Safe Harbor Matching Contributions

Once you've completed a year of service and worked 1,000 hours, Baptist Health will begin matching 100% on the first 3% you contribute and 50% on the next 2% you contribute. Overall this is a 4% match from Baptist Health.

Prior to 2022, Baptist Health matching contributions will continue to be vested based on your years of service.

**Online Tool Calculator**

**Appointment Scheduler**

#### How much can I contribute?

The annual elective deferral limit for the Baptist Health 401(k) Plan employee contribution is $24,500 in 2027.

Catch-Up Contributions: Employees age 50 or older may contribute up to an additional $8,000, for a total of $32,500.

Employees turning age 60 to 63 will be able to make catch-up contributions totaling the higher of $11,250 or 150% of that year's regular catch-up amount annually to their retirement savings plan. Please note: if you turn 64 at any point during the 2027 tax year or subsequent year, you are not eligible to participate in the higher catch-up for any part of the 2027 plan year or beyond.

After-tax Mega Roth- Contribute additional after-tax payroll deduction dollars to your 401(k) and convert them in-plan to Roth dollars to save more than the IRS standard 401(k) limit. Please note: these contributions are not eligible for the Baptist Health match. To participate, contact Fidelity.

#### When am I vested in the plan?

You are always 100% vested in your contributions, the Baptist Health 401(k) Plan matching contributions and any earnings on them.

#### When can I get the money I save?

You are entitled to your vested Thrift Plan account when you retire. You are also entitled to your own savings, plus the vested portion of the Baptist Health contributions, if you leave Baptist Health before retirement. Generally, withdrawals from the 401(k) Plan are permitted when you terminate your employment, retire, reach age 59½, or have a financial hardship, as defined by the plan.

You do not have to re-enroll in your retirement benefits; however, Open Enrollment is an ideal time to review your contribution amount and investment choices. You may change your Baptist Health 401(k) Plan deductions anytime during the year. Changes will be reflected within 1 - 2 pay periods on your check. **Please review your paycheck to confirm the changes were made.**

For more plan highlights, investment options and tools and resources visit **www.netbenefits.com/Baptist** or log on to Fidelity NetBenefits® at **www.netbenefits.com/Baptist** and go to Plan Information and Documents.

# PHYSICIAN AND DIRECTOR 457(B) DEFERRED COMPENSATION PLAN

## Administered by Fidelity

### Who is eligible?

You are eligible to participate in the 457(b) Deferred Compensation Plan (457(b) Plan) if you are a physician, director or executive level employee.

By participating in the 457(b) Plan, you can greatly increase the amount you can save for retirement on a tax deferred basis. It's a great way to lower your current income taxes and invest more for the future.

### What is the 457(b) Plan?

The 457(b) Plan is a Deferred Compensation Plan that allows you to save an additional pre-tax contribution. The IRS contribution limit for 2027 is $24,500.

The 457(b) Plan does not have an employer match, be sure to maximize your 401(k) contribution before deferring to this plan.

There's a fundamental difference between your plans, however. Your Baptist Health 401(k) Plan is a qualified plan, meaning the money you and your employer contribute to your account is held in a trust until you withdraw it. However, your 457(b) Plan is a non-qualified plan.

### How much can I put into the plan? Can I change the amount?

The amount of pre-tax income you put into your 457(b) Plan depends on Internal Revenue Service limits, which can change each year. You can increase, decrease, or stop contributions by calling Fidelity at 800.343.0860. Changes go into effect in the month following the date you submit your request.

### When am I vested in the plan?

You are always 100% vested in your contributions and any earnings on those contributions.

### Can I borrow or withdraw from my 457(b) account?

Loans are not permitted. Withdrawals may be available and are immediately available if you leave or retire from your employer. Any money you take out is taxable as income.

### When do distributions begin?

You can start taking distributions when you leave your employer or when you turn age 70-1/2. If you have a plan balance when you die, distributions are available to your designated beneficiary.

# PAYACTIV - YOUR PAYDAY REIMAGINED

Baptist Health has partnered with Payactiv to bring you a digital wallet built for everyday life.

## Decide when and how you get paid

Earned Wage Access (EWA) gets you paid before payday. Work your shift, and Payactiv will make a portion of that money available, giving you more control over when and how you want to use it. The funds you access simply get deducted from your next paycheck.

- Transfer to Payactiv Visa Card
- Transfer to your bank or debit card
- Pick up cash at Walmart

Visit www.payactiv.com for more information.

# DISCLOSURE NOTICES

**Disclaimer:** This document contains many of the required Health and Welfare Plan model notices templates provided by the Department of Labor and other Federal agencies. Most employers prefer to include model notices in their open enrollment materials for ease of distribution. Some of these notices may require distribution outside of the open enrollment period or to both employees as well as dependent participants (for example, the General COBRA Notice must be provided to not only participating employees but also to participating spouses). In addition, some of these notices may require further customization, based on the specific terms of your plan. Employers may also be subject to additional State laws and Federal disclosures not outlined in these materials (for example, if you offer a self-funded health plan or a fully-insured health plan with access to Protected Health Information, you may also be required to distribute a Notice of Privacy Practices).

You may always ask your McGriff Account team for additional clarity on the notices provided herein. You are encouraged to retain ERISA counsel to determine which additional disclosures you are required to provide to your employees and plan participants.

## MEDICARE PART D NON-CREDITABLE COVERAGE NOTICE
## IMPORTANT NOTICE FROM BAPTIST HEALTH.
## ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered by the Preventative Only through Baptist Health and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Baptist Health has determined that the prescription drug coverage offered by the Preventative Only is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the Preventative Only. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from Preventative Only. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully – it explains your options.

**When Can You Join A Medicare Drug Plan?**
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

If your current coverage is employer/union sponsored group coverage and if you decide to drop this coverage with Baptist Health, you may be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under the Preventative Only.

If you are losing creditable prescription drug coverage under the Preventative Only, you are also eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**
Since the coverage under the Preventative Only is not creditable, depending on how long you go without creditable prescription drug coverage, you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**
If you decide to join a Medicare drug plan, your current Baptist Health coverage will not be affected. You can keep this coverage if you elect Part D, and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Baptist Health coverage, be aware that you and your dependents will be able to get this coverage back.

**For More Information About This Notice Or Your Current Prescription Drug Coverage…**
Contact the Plan Administrator listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Baptist Health changes. You may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage…**
More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information

about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). For purposes of this notice, the Plan Administrator is:

## MEDICARE PART D CREDITABLE COVERAGE NOTICE IMPORTANT NOTICE FROM BAPTIST HEALTH. ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered by the Core EPO, Enhanced HDHP, Enhanced EPO through Baptist Health and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Baptist Health has determined that the prescription drug coverage offered by the Core EPO, Enhanced HDHP, Enhanced EPO, WFA PPO and WFA HDHP is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

**When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**
If you decide to join a Medicare drug plan, your current coverage through Baptist Health will not be affected. You can keep this coverage if you elect Part D, and this plan will coordinate with Part D coverage.

If you decide to join a Medicare drug plan and drop your current group health coverage through Baptist Health, be aware that you and your dependents will be able to get this coverage back. If you are able to get this coverage back, reentry into the plan is subject to the underlying terms of the Plan.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**
You should also know that if you drop or lose your current group health coverage through Baptist Health and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## WHCRA ENROLLMENT/ANNUAL NOTICE

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator as identified at the end of these notices.

For purposes of this notice, the plan administrator is:

## NEWBORNS' ACT DISCLOSURE

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS (FOR USE BY SINGLE-EMPLOYER GROUP HEALTH PLANS)
## **CONTINUATION COVERAGE RIGHTS UNDER COBRA**

**Introduction:**
You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally does not accept late enrollees.

# DISCLOSURE NOTICES

**What is COBRA continuation coverage?**
COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides retiree health coverage, sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in a bankruptcy is filed with respect to Baptist Health and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of coverage under the Plan.

**When is COBRA continuation coverage available?**
The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- If the Plan provides retiree health coverage, commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days. You must provide this notice to Baptist Health.**
Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

**Disability extension of 18-month period of COBRA continuation coverage**
If you or anyone in your family covered under the Plan is determined by the Social Security Administration (SSA) to be disabled and you timely notify the Plan Administrator in writing, you and your covered dependents may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

# DISCLOSURE NOTICES

In order for this disability extension to apply, you must timely notify the Plan Administrator in writing of the SSA disability determination before the end of the 18-month period of continuation coverage and within 60 days after the later of (i) the date of the initial qualifying event; (ii) the date on which coverage would be lost because of the initial qualifying event; or (iii) the date of the SSA disability determination. This notice must be mailed to Baptist Health at 1901 Campus Place, Louisville, KY 40299. Oral notice, including notice by telephone, is not acceptable. The written notice must include the name and address of the employee covered under the plan; the name of the disabled qualified beneficiary; the date that the qualified beneficiary became disabled; and the date that the SSA made its determination of disability. Your notice must also include a copy of the SSA disability determination. If these procedures are not followed or if written notice is not provided to the Plan Administrator within the required time period, there will be no disability extension of COBRA continuation coverage. You must also notify the Plan Administrator within 30 days of any revocation of Social Security disability benefits.

**Second qualifying event extension of 18-month period of continuation coverage**
If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

**Are there other coverage options besides COBRA Continuation Coverage?**
Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

**Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?**
In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

(see https://www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-periods). If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

**If you have questions**
Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website). For more information about the Marketplace, visit www.HealthCare.gov

**Keep your Plan informed of address changes**
To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

**PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN"S HEALTH INSURANCE PROGRAM (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –

## SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Finally, if you or an eligible dependent has coverage under a state Medicaid or child health insurance program and that coverage is terminated due to a loss of eligibility, or if you or an eligible dependent become eligible for state premium assistance under one of these programs, you may be able to enroll yourself and your eligible family members in the Plan. However, you must request enrollment no later than 60 days after the date the state Medicaid or child health insurance program coverage is terminated or the date you or an eligible dependent is determined to be eligible for state premium assistance.

To request special enrollment or obtain more information, contact the plan administrator listed below:

Baptist Health | 502-896-5000

## CHIPRA PREMIUM ASSISTANCE NOTICE

## PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDSNOW, or www.insuredkidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

## PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such a collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210, or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2023)

## YOUR RIGHTS AND PROTECTIONS AGAINST SURPRISE MEDICAL BILLS

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "balance billing." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an innetwork facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of- network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You can't be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's innetwork cost-sharing amount. This applies to emergency medicine,
